# About US

- Swasth Bhartiya Foundation is a registered non-profit organization committed to improving health outcomes, strengthening public health systems, and ensuring equitable access to quality healthcare for vulnerable and underserved populations across various states of India.
- The foundation operates at the intersection of community health and wellbeing, awareness and access to essential health services, adopting community-driven approaches to achieve sustainable impact.

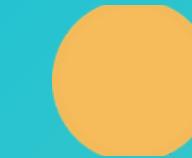

# Our Core Purpose & Principles

## VALUES

- Equity & Inclusion
- Transparency & Accountability
- Community Participation
- Collaboration & Partnership

## VISION

- To create a healthier future for every individual, ensuring access to quality healthcare and promoting overall well-being within communities.

## MISSION

- Improve access to essential healthcare services for underserved populations
- Strengthen community-based health systems
- Promote preventive healthcare and health awareness
- Support national health programs and Sustainable Development Goals (SDGs)

# Work At A Glance

## PRIMARY & PREVENTIVE HEALTHCARE

We focus on enhancing community health through preventative services and awareness sessions aimed at promoting healthier lifestyles and reducing disease prevalence in underserved populations.

## NON-COMMUNICABLE DISEASES SCREENING

Screening and awareness programs for diabetes, hypertension, and mental health conditions to promote early detection and lifestyle modification.

# Work At A Glance

## OUTREACH HEALTH SERVICES

Camp-based services designed to reach populations with limited access to fixed healthcare facilities. Followed by awareness session

## EMERGENCY RESPONSE & AWARENESS SESSIONS

Response to disaster, relief response and medicine distribution drive. Awareness session for the community and school children.
